

Dialogue 1 :

Rabbit I wish something would happen.

Wolf Excuse me! May I help?

Rabbit Well, maybe...I'm bored.

Wolf Why don't we write a story?

Rabbit Why not? (*looking at him*) Hey! What big ears you've got!

Wolf All the better for listening to stories with, my dear.

Rabbit And what big eyes you've got!

Wolf All the better for reading with, my dear.

Rabbit Hmm, I'm sure I've heard something like that before.

Wolf Never mind that. Let's get on with the story.

Dialogue 2 :

Rabbit How do we start?

Wolf Use your imagination! Let's start with "Once upon a time!"

Rabbit But what is our story going to be about?

Wolf Use your imagination.

Rabbit Space rockets! Big explosions and bananas! We need lots of bananas!

Wolf Oh, I don't think so. We need a fairy tale with a baddie.

Rabbit What about a mouse?

Wolf I was thinking about something bigger.

Rabbit What about you?

Wolf That's a good idea.

Dialogue 3 :

Rabbit What next?

Wolf Well, we need a hero.

Rabbit Me, me, me!

Wolf What a great idea!

Rabbit But what will I wear?

Wolf Oh, it doesn't matter. Use your imagination.

Rabbit A space suit! Or a pirate's hat! Or... what about a little red cape?

Wolf Oh, you don't need anything. Now, where will the story take place?

Rabbit What about a forest?

Wolf That's a good idea.
